

Quality of Life

Many communities have adopted the live, work and play motto where families feel like a guest at a fine resort everyday of the year. Kids can enjoy year-around swimming, playing in neighborhood playgrounds, walking along nature trails or riding their bikes to school. Athletes will enjoy tennis, sand volleyball, basketball and fitness centers. Many communities even have their own golf courses, festivals, classic car cruise-ins and art shows.

With more than 20 miles of Pasco County lining the Gulf Coast, it's only natural that we would offer a variety of stunning beaches and numerous parks featuring boat ramps, fishing access, nature trails, picnic areas and playgrounds. Whether fishing is a fun pastime or a serious sport for you, the Gulf waters provide for a variety of sport fishing opportunities from spearfishing to fly fishing, from trout to marlin. As you might guess, beneath the Gulf of Mexico waters lies a dramatic underwater world and local scuba diving experts can show you the area's dive options.

Skydive City is one of the world's premiere skydiving centers catering to skydivers and students from every continent. Whether you jump Tandem or AFF, the sky is the limit in the City of Zephyrhills.

Located just minutes to the south of Pasco County, Busch Gardens is where wildlife and wild rides come together. The park is comprised of 8 themed areas, 7 roller coasters, 3 water rides and 5 live shows. If you thought mermaids were the imaginings of lonely sailors, think again -- and travel north to Weeki Wachee Springs. For almost 60 years, this enchanted spring has lured visitors with beautiful mermaids and cool, clear spring waters.

Some of the nearby cultural venues include the Tampa Bay Performing Arts Center, Mahaffy Theater, Ruth Eckerd Hall, Museum of Fine Arts and the Dali Museum. Professional sports include the Tampa Bay Buccaneers, Tampa Bay Rays, and Tampa Bay Lightning. University of South Florida Bulls are now ranked as a college football contender.

A quality of life and style of living to match any taste is yours to enjoy in Pasco County.
