

# ComPark 75

**C**omPark 75 is a class-A commerce park which abuts I-75 and is strategically located equidistant between State Road 54 and State Road 56 interchanges. ComPark 75 is well positioned in the high-growth corridor of Pasco County within the northern boundaries of the Tampa Bay metro area. The park maintains strict architectural controls which includes all masonry exteriors. The 60 usable acre park has light-industrial zoning with sites varying in size from 2 to 10 acres. Water and sewer is provided by Pasco County and Withlacoochee River Electric Cooperative is the electrical provider.
